Welcome to the Department of Geography and Environmental Studies. This is one of the departments in the Faculty of Arts, College of Humanities and Social Sciences, University of Nairobi. The department is located at the Main Campus, Hyslop Building, with the Secretariat and Head of Department's Office on 3rd floor, Room H 308. The department has about 40 members of staff comprising Professors, Associate Professors, Senior Lecturers, Lecturers, Tutorial Fellows, Technical Staff and the Secretariat. Over the years, the department has produced a significant pool of highly trained and skilled professionals who have continued to play a significant role in the Kenya's development and beyond. Due to the inter- and multi-disciplinary nature of the discipline and programmes, the alumni of the department are employed in all sectors of the economy. The department aspires to be a centre of international repute committed to scholarly excellence in geography and environmental studies. Our vision is to provide dynamic leadership in the teaching, research, consultancy and outreach services in geography and environmental studies for the benefit of humanity and sustainable development. As part of its mandate in teaching and training, the department offers the following diploma, undergraduate and postgraduate programmes:
