Madam Jacque Walubwa of the Department of Geography and Environmental Studies attended an international meeting on food systems research, jointly organized by the International Development Research Centre (IDRC), the University of the Western Cape and the World Public Health Nutrition Association. The meeting took place at the University of the Western Cape, School of Public Health following the World Nutrition Conference (30<sup>th</sup> August to 2<sup>nd</sup> September 2016). The meeting featured presentations and discussions on food systems research from Latin America, Africa and Asia. Experiences and emerging lessons from Latin America and Asia were shared and helped to guide the
