

Interacting with geography students from Nyangweta High School, Kisii County

Geography students from Nyangweta SDA High school in Kisii County visited the Department of Geography and Environmental Studies on 7th of August 2018. They were led by their teachers Mr. Ibrahim Kebati and Mr. Jason Omare. Dr. Samuel Owuor interacted with the students and gave them a talk on geography and environmental studies. Dr. Owuor thanked the students for making the right choice to visit the department and encouraged them to work hard in school. He commended their passion to take geography as one of their subjects in high school.
