

UNIVERSITY OF NAIROBI
Department of Geography & Environmental Studies
MA-MSc RESEARCH THESES AND PROJECTS

| | NAME | DEGREE | THESIS/PROJECT TOPIC |
|-------------|------------------------|----------------------|--|
| 1974 | | | |
| 1. | Ayiemba Elias | MA Geography | Intercensal Population Change: A Comparative Study of Kano Location of the Sugar Belt, 1962-1973 |
| 1976 | | | |
| 2. | Ogonda Richard Timothy | MA Geography | Transportation in the Nairobi Area: A Geographical Analysis |
| 3. | Obara Dunstan Agatha | MSc Geography | Environmental Problems of Smallholder Sugarcane Production in the Nyanza Sugar Belt |
| 1978 | | | |
| 4. | Thairu Rhoda | MA Geography | The Availability, Dissemination and Utilization of Information Population in Kenya, with Special Reference to the Period 1946-1977 |
| 5. | Kangi Margaret Wanjugu | MA Geography | Urban-Rural Fertility Differential: A Case Study of Nairobi and Central Province |
| 1979 | | | |
| 6. | Ngau Peter Musyoki | MA Urban Geography | Internal Structure of Residential Areas in Nairobi |
| 1980 | | | |
| 7. | Odhiambo Omondi | MA Geography | Migration and Fertility in a Rural Area of Kenya: The Case Study of North-Western Machakos District |
| 8. | Obiero J.C.A | MA Geography | The Western Kenya Sugar Industry with Specific Reference to Nyanza and Western Province |
| 1981 | | | |
| 9. | Nyanguto Pauline | MA Geography | Settlement Patterns in Nyeri District |
| 1982 | | | |
| 10. | Irandu Evaristus M. | MA Geography | The Road Network in the Mombasa Municipal Area: A Spatial Analysis of its Effects on Land Values, Population Density and Travel Patterns |
| 11. | Maranga E.K. | MSc Geography | Water balance studies in relation to tea yields in the Brooke Bond Leibig estates, Kericho, Kenya |
| 1983 | | | |
| 12. | Aduwo Isaiah Gibson | MA Urban Geography | The Role, Efficiency and Quality of Service in the Matatu Mode of Transport in Nairobi, Kenya: A Geographical Analysis |
| 1984 | | | |
| 13. | Wegulo F. Nyongesa | MA Geography | Location Structure and Impact of the Manufacturing Industries: A Case Study of Nyanza Province, Kenya |
| 14. | Kisovi Leonard Musyoka | MSc Rural Settlement | Impact of Socio-Economic Variables on the Spatial and Structural Patterns of Rural Houses in Ukambani, Kenya |
| 15. | Macoloo Gervase Chris | MA Urban Geography | Housing in Kisumu Town: A Geographical Study of Demand, Supply and Policy |
| 16. | Mungai David | MA Geography | Analysis of some seasonal rainfall characteristics in the Lake Victoria region of Kenya |

| 1985 | | | |
|------|--------------------------------|---------------------------|---|
| 17. | Kareri Raphael | MA Economic Geography | Nyeri farming systems viewed from physical and social-economic aspects |
| 18. | Ndolo Isaac | MSc Climatology | Water-Balance and Rice Yields In a Tropical Environment: A Case Study of Mwea Irrigation Settlement, Kirinyaga District, Kenya |
| 19. | Kaniaru Dennis Chege | MA Geography | Environment and Development: An Environmental Impact Analysis of the Proposed Upper Athi Dam |
| 1986 | | | |
| 20. | Mabonga Joash W. Simuyu | MA Urban Geography | The Informal Sector: An Alternative Kenyan Strategy for Economic Development for the Urban Poor |
| 1990 | | | |
| 21. | Musingi J.B Kioko | MA Climatology | Effective Rainfall and Bean Yield in a Tropical Semi-Arid Environment: A Case Study of South Eastern Machakos District, Kenya |
| 22. | Osebe David | MSc Geography | Ecological and Socio-Economic Factors Influencing Livestock Production: A Case Study of the Dairy Industry in three Major Agro-Ecological Zones of Kisii District |
| 23. | Nyandega Isaiah | MA Climatology | Assessment and Characterization of the Drought Occurrence in the Lake Victoria Basin: A Case Study of West Kenya |
| 24. | Muiruri Philomena W. | MA Urban Geography | Recreational Utilization of Open Spaces in Nairobi City, Kenya |
| 25. | Aduwo Gibson Isaiah | MA Urban Geography | The role of efficiency and quality of services of the matatu mode of public transport in Nairobi, Kenya: A geographical analysis |
| 1991 | | | |
| 26. | Kumba Kemunto | MA Geography | The Influence of Selected Socio-Economic Factors on Food Crop Production in Kisii District: A Case Study of Itanyi Division |
| 27. | Mutie Benjamin | MA Agricultural Geography | Ecological and Social-Economic Factors Influencing Small Holder Washington Navel Orange Production in the Southern Lowland Zones of Machakos District Kenya |
| 28. | Rimberia Mary Mukami | MA Population Geography | A Survey of Infant and Childhood Mortality in Meru District, Kenya |
| 29. | Mwaura Francis | MSc Geography | Some Aspects of Hydrochemistry, Lake Level and Vegetation Dynamics in the Lake Elementaita Basin, Rift Valley, Kenya |
| 1992 | | | |
| 30. | Kitheka Johnson Utu | MSc Hydrology | Soil Erosion and its Impact on Surface Water Reservoirs: A Case Study of Nguu Tatu Catchments, North East of Mombasa District |
| 31. | Lugano Emily | MA Urban Geography | The Socio-Economic Conditions of Female Migrants in Low Income Areas of Kenya |
| 32. | Ombasa Mochama | MA Geography | The Effects of Economic Enterprises on Fertility Behaviour: A Case Study of the Gusii Community of Western Kenya |

| | | | |
|-------------|--|---------------------------|---|
| 33. | Okumu Atieno | MA Urban Geography | Participation of Women in Income Generating Activities: A case study of Dandora, Nairobi |
| 34. | Kiranga John Maina | MA Population Geography | Migration Trends in Mombasa District |
| 1993 | | | |
| 35. | Abwao Peter | MSc Hydrology | The determination of water quality characteristics of run off for consecutive storms within Nairobi's city centre with a view to planning for its proper management |
| 36. | Otieno Moses Kola | MA Urban Geography | The Role of Non-Motorized Mode of Transportation: A Case Study of Hand Carts Operations in Kisumu Municipality, Kenya |
| 37. | Mmuka Mary Consolata | MA Urban Geography | Residential Location Preference: A Study of Consumers Choice Patterns in Nairobi, Kenya |
| 38. | Omari Herbert Lumumba | MSc Hydrology | The Effect of Damming at the Masinga Kamburu, Gitaru, Kindaruma and Kiambere Dams on Flood Frequency and Risk on River Tana, Kenya |
| 39. | Muthike Joseph Muriithi | MSc Hydrology | Some drainage characteristics of rivers Rwamuthambi and Ragati sub-catchments of the upper Tana catchment in Kenya |
| 1994 | | | |
| 40. | Mochiemo Gabriel Onyiego | MSc Hydrology | An Investigation into the Effects of Changes in Land Use on Run-Off and Sediment Transport Rates from the Turasha Catchments, Kenya |
| 41. | Nyandika Disterius Ondieki | MA Agricultural Geography | Food security and agricultural development: A case study of Bogetaorio II sub location, Kisii District, Kenya |
| 1995 | | | |
| 42. | Owuor Samuel Ouma | MA Urban Geography | The role of small and intermediate-size urban centres in regional and national development: A case study of municipality of Bungoma, Kenya |
| 43. | Ntabo John-Suit Mogeni | MA Urban Geography | The nature and determinants of residential mobility in Kisii town and its implications for housing policy |
| 44. | Njeru Jeremiah Lewis | MSc Hydrology | The influence of vegetation on the water resources of the Naro Moru Catchment |
| 45. | Ndegea Samuel | MA Urban Geography | The role and potential of the taxi mode of transport in the city of Nairobi, Kenya: A geographical analysis |
| 46. | Ongaro Stephen Ambrose Lulalire | MA Economic Geography | Transportation as a medium for spatial integration: A case study of Kenya's railway network |
| 1996 | | | |
| 47. | Wefukho Bernard Wachie | MA Industrial Geography | Industrial development planning: The case of development inducing and development supporting industries in Western Kenya |
| 48. | Mbinda B.M. | MSc Geography | Indigenous knowledge and practices in biodiversity conservation: A case study of the Ilchamus, Baringo District, Kenya |
| 49. | Muthoni Ann Mary | MA Urban Geography | The role of cooperatives in residential housing provision: A case study of the city of Nairobi |
| 50. | Oyunge Isaiah | MSc Hydrology | An assessment of the groundwater quality variations |

| | | | |
|-------------|---------------------------------|---------------------------|---|
| | Michira | | with landuse in Chirichiro catchment, upper Gucha drainage basin |
| 51. | Mikalista Stella Mukhovi | MA Agricultural Geography | Small holder household labour allocation in food production: A case study of Ikolomani Division, Kakamega District |
| 1997 | | | |
| | NAME | DEGREE AWARDED | THESIS/PROJECT TOPIC |
| 52. | Miyogo James Moronge | MA Industrial Geography | Spatial Patterns, Location Variables and the Industrial Structure of Kisii District Agricultural Manufacturing Industries |
| 53. | Mogere Florence Kemoni | MA Population Geography | Reproductive Mortality and its Significance on Health Planning in Kisii District |
| 54. | Anyona George Oduol | MSc Hydrology | An Investigation into Some Water Quality Problems of Lake Kanyaboli in Kenya |
| 1998 | | | |
| 55. | Kinyua Tartisius Nguru | MA Urban Geography | A Spatial Assessment of Rental Housing Services and Constraints in Municipality of Meru |
| 56. | Kyaka Joshua Mbunya | MA Economic Geography | The Spatio-Temporal Structure of Periodic Livestock Markets and their Associated Environmental Effects in Laikipia District, Kenya |
| 57. | Awino Joel Oluoch | MA Urban Geography | The Matatu Mode of Public Transportation in the Municipality of Kisumu, Kenya |
| 58. | Omoke Kennedy | MA Population Geography | The Impact of Population Dynamics on the Forest Resource: A Case Study of West Laikipia District, Kenya |
| 59. | Thuita Thenya | MSc Biogeography | Some Ecological Aspects, Bio-Economic Values and Human Impact on a Tropical Papyrus Wetland, Ewaso Narok Swamp, Laikipia District Kenya |
| 60. | Obwa Peter | MA Urban Geography | Geographical Perspectives on the Role of Small Urban Centres in Regional Planning Strategy: A Study of Marketing and Trade in Laikipia District Kenya |
| 61. | Okuku Titus | MA Urban Geography | The spatial dynamics of freight transportation in the city of Nairobi, Kenya |
| 1999 | | | |
| 62. | Kamau Maryanne Njeri | MA Economic Geography | The Role of Tourism in Regional Development: A Case Study of Village Tourist Centres of the Coast Province, Kenya |
| 63. | Achieng Bertha Othoche | MA Economic Geography | The economic impact of international tourism on the Kenyan economy: A case study of the Lake Victoria Region |
| 64. | Oluoko Alice Atieno | MA Agricultural Geography | Some Aspects of Small Holders Tea Production in Belgut Division of Kericho District, Kenya |
| 65. | Omukoba Winston | MSc Biogeography | Effects of Damming on the Sosiani River Ecosystem: An Environmental Impact Assessment |
| 2000 | | | |
| 66. | Kariga Joseph Nganga | MA Economic Geography | An Investigation of Some of the Economic Impacts of Feeder Roads in Rural Areas: A Case Study of |

| | | | |
|-------------|-----------------------------------|--|--|
| | | | Thika District, Kenya |
| 2002 | | | |
| 67. | Gichuhi Margaret Wachu | MA Environmental Planning and Management | The Assessment of the Impact of Anthropogenic Activities on the Migratory Corridors of Nairobi National Park: A Geographic Information Systems Approach |
| 68. | Mfashwanayo Bagara Modeste | MA Environmental Planning and Management | Status of Water Resource Use and Water Quality: The Case of Athi River Through Mavoko Municipality |
| 69. | Mwaguni Saeed | MA Environmental Planning and Management | Public Health Problems in Mombasa District: A Case Study on Sewage Management |
| 2003 | | | |
| 70. | Ngugi Alice | MA Environmental Planning and Management | A Water Quality, Biodiversity Assessment and Community Perception Analysis of Rungiri Reservoir, Kikuyu, Kenya |
| 71. | Wafula John | MA Environmental Planning and Management | Corporate Environmentalism and Sustainability: Emerging Trends in Kenya |
| 72. | Bundi Jeremy Miriti | MA Transport Geography | Rural Transportation Problems: A Case Study of Tea Roads in the Southern Tea Growing Region of Mt. Meru, Kenya |
| 2004 | | | |
| 73. | Charo Charles Kombe | MA Environmental Planning and Management | Utilization of Hazardous Industrial Alumina and Iron Waste in the Cement Manufacturing Process |
| 74. | Gikonyo Josephat Mbiru | MA Environmental Planning and Management | The Effects of Biomass Energy Use by Rural Households in a Dryland Environment: Case Study of Mwingi District |
| 75. | Kaburu Humphrey M. | MA Environmental Planning and Management | Evaluation of the Environmental Impacts of Changing Land Use System from Pastoralism to Crop Production: A Case Study of Katilu Division, Turkana District |
| 76. | Karingi Lincoln Kivuti | MA Environmental Planning and Management | Factors Affecting Environmental Quality in the Residential Areas in Nairobi |
| 77. | Muia Mary Waceke Thongoh | MA Environmental Planning and Management | A Study of Used Oil Management: A Case Study of Nairobi City, Kenya |
| 78. | Murugu Rosemary W. | MA Environmental Planning and Management | Review of the Impact of Tea Development on the Forest Cover in Parts of Eastern Aberdares Region |
| 79. | Nganga Kamithi | MA Environmental Planning and Management | The Role of Ecotourism in Environmental Management: A Case Study of Southern Laikipia Plateau, Laikipia District |
| 2005 | | | |
| 80. | Adipo Peter Ouma | MA Environmental Planning and Management | Hospital Waste Management in Nairobi City |

| | | | |
|-------------|-----------------------------------|--|---|
| 81. | Arunga Michael Obare | MA Environmental Planning and Management | GIS Simulation of Settlement and Urban Expansion in the Kitengela Wildlife Dispersal Area |
| 82. | Gichuki Geoffrey Rukenya | MA Environmental Planning and Management | Environmental Problems and Human Health in Urban Informal Settlements: A Case Study of Mukuru Kwa Njenga, Nairobi |
| 83. | Kinuthia Henry Mwaura | MA Environmental Planning and Management | The Total Economic Valuation of Natural Resources: Perceived Community Livelihood Values of Mukogodo Forest, Laikipia, Kenya |
| 84. | Kinuthia Peter Kinyanjui | MA Environmental Planning and Management | Urban Solid Waste Management System Using Geographic Information Systems (GIS): A Case Study of Kayole, Soweto, Nairobi |
| 85. | Maina Anne Wamuyu | MA Environmental Planning and Management | Community Involvement in Domestic Solid Waste Management: A Case Study on Kayole Environmental Management Association |
| 86. | Mburu George Gathuru | MA Environmental Planning and Management | An Assessment of the Impact of Relic Forests on Urban Greening in the City of Nairobi, Kenya |
| 87. | Mohammed Jamila | MA Environmental Planning and Management | Environmental Impacts of a Burst Reservoir: A Case Study of Kibubuti Dam in Kiambu, Kenya |
| 88. | Muhati Librata Nekesa | MA Environmental Planning and Management | Economic Valuation of Wetland Ecosystems: A Case Study of Ondiri Swamp in Kiambu, Kenya |
| 89. | Oduor Vincent Owino | MA Environmental Planning and Management | Assessment of <i>Zea Mays</i> (Maize) Yield Changes in Relation to Weather Variability in Trans-Nzoia District, Western Kenya |
| 90. | Otieno A. | MA Environmental Planning and Management | Domestic Water Consumption Per Capita: A Case Study of Selected Households in Nairobi |
| 91. | Ouna Tom Odhiambo | MA Environmental Planning and Management | Hydrological Response to Land-Use and Land-Cover Changes in the Nyando Basin |
| 2006 | | | |
| 92. | Ambuchi David Ombisi | MA Environmental Planning and Management | Plastic Waste Management in Kenya: An Evaluation of Policies and Regulations on Plastic Bags and Plastic Bottles Waste in Nairobi |
| 93. | Godana Ramat | MA Environmental Planning and Management | The Trend and Impacts of Forest Resources Utilization on Marsabit Mountain Ecosystem |
| 94. | Ikawa Joseph Victor Otieno | MA Environmental Planning and Management | The Dispersion and Control of Domestic Biodiversity in Nairobi: A GIS Project |
| 95. | M'ribu Jackson Mugambi | MA Environmental Planning and Management | A Study of Waste Management Approaches in Tea Processing Factories: Case Study of Small Holder Tea Factories in Kenya |
| 96. | Madara George Petit | MA Environmental Planning and Management | Impacts of Improved Water and Sanitation on Under Five Mortality in Urban Kenya |

| | | | |
|-------------|--------------------------------|--|---|
| 97. | Magambo Esther Kathure | MA Environmental Planning and Management | Impacts of a Degraded Dryland Riverine Ecosystem on Livelihoods: A Case Study of Kaketa in Kilome Division of Makueni District |
| 98. | Makokha William Eugene | MA Environmental Planning and Management | The Influence of Urban Residential Settlements on the Management of Selected Dryland Natural Resources: A Case Study of Ngong Division, Kajiado District |
| 99. | Mulinya Caroline | MA Climatology | A Study of Climatic Trends in Relation to Land Use Change in the Mt. Marsabit Region in Eastern Province, Kenya |
| 100. | Mutua Julius | MA Environmental Planning and Management | Biomass Energy Consumption in Dryland Towns: A Case Study of Emerging Urban Settlements in Kitui District |
| 101. | Ndungu James | MA Environmental Planning and Management | Economic Evaluation of Ecosystem Services in the Shampole Wetland, South Ewaso Ngiro River, Kenya |
| 2007 | | | |
| 102. | Kenduiwo Augustine K. | MA Environmental Planning and Management | Impact of Socio-Economic Factors on Adoption of Soil and Water Conservation Practices in Kenya: A Case Study of Kyogong Catchment in Bomet District, Rift Valley Province |
| 103. | Kiragu Franklin Mwirigi | MA Environmental Planning and Management | An Environmental Impact Assessment of Commercial Captive Breeding of Crocodiles |
| 104. | Maina Nelson Manyeki | MA Environmental Planning and Management | Energy Conservation in Boarding Schools: A Case of Thika District |
| 105. | Mutui Frida Nyiva | MA Environmental Planning and Management | Waste Disposal, Sanitation and Health in Nairobi: A Case Study of Kasarani, Nairobi |
| 106. | Mwathe Kennedy Murimi | MA Environmental Planning and Management | The Nature, Economic Costs and Management Strategies for Human Wildlife Conflict in Magadi Area, South Rift, Kenya |
| 107. | Oyieko Lydia Kemunto | MA Environmental Planning and Management | An Analysis of the Rural Livelihoods and the Sustainable Use of Osodo Wetland in the Sondu-Miriu River Basin in Kenya |
| 2008 | | | |
| 108. | Kahindi Katsoleh | MA Environmental Planning and Management | Awareness of Environmental Law: A Case Study of Nairobi Residents living Around the Dandora Dumping Site |
| 109. | Kodiaga Joel Tito | MA Environmental Planning and Management | An Assessment of the Status of Health Care Waste Management in Kenya: The Case of Nyanza Province |
| 110. | Maina Micro David | MA Environmental Planning and Management | Access to Water for Life and Enhanced Livelihoods Through Improved Water Governance: The Case of Kibera Slum |
| 111. | Mulonga Julie | MA Environmental Planning and Management | Alternative Approaches to the Management of Excreta: An Assessment of the Factors that Have Led to Household Choice and Adoption of Ecological |

| | | | |
|-------------|--------------------------------|--|--|
| | | | Sanitation (ECOSAN) in Wajir |
| 112. | Muchiri Peris | MSc Hydrology | Evaluation of the Performance of the USGS Stream Flow Model to the Shabelle River Basin in Somalia |
| 113. | Mwangi Angeline Wanjiru | MA Environmental Planning and Management | A Study on the Status and Challenges of the Environmental Audit Process in Kenya |
| 114. | Mwangi Ruth Njoki | MA Environmental Planning and Management | Horticulture, Pesticide Use, Environmental Concerns and Food Security: A Case Study for Nguruma Irrigation Scheme |
| 115. | Nguru Paul Muiru | MA Environmental Planning and Management | Impacts of Sand Mining on the Environment in Mjanaheri-Ngomeni Areas of Magarini Division, Kenya |
| 116. | Nyandika Jane | MA Environmental Planning and Management | Environmental Problems Associated with Tea Factories in Kenya: A Case Study of Kebirigo Coffee Factory |
| 117. | Shah Parita | MA Environmental Planning and Management | Environmental Audit of Educational Institutions: The Case of Oshwal Academy Primary School, Nairobi, Kenya |
| 2009 | | | |
| 118. | Boru Abdi Hassan | MA Environmental Planning and Management | Factors affecting the population size and distribution of the grevy zebra (<i>equus grevyii</i>) in Northern Laikipia District |
| 119. | Gichira Peter Solomon | MA Environmental Planning and Management | The church and sustainable development: A case study of All Africa Conference of Churches in the conservation of forests in Africa |
| 120. | Maina R.L. | MA Environmental Planning and Management | Causes of fuel wood shortage in Gilgil and Karunga Locations of Gilgil Division, Nakuru District |
| 121. | Mangat Rupinder Kaur | MA Environmental Planning and Management | Waste management awareness in Nairobi: The case of <i>jua kali</i> metal workers in Nairobi's Kamukunji area |
| 122. | Mwithali Lawrence M. | MA Environmental Planning and Management | The role of cleaner production in enhancing water use efficiency in the manufacturing industry: A case study of Central Glass Industries Limited and East African Breweries Limited, Nairobi |
| 123. | Ng'ang'a Lucy Wambui | MA Environmental Planning and Management | Effluent discharge from a leather processing plant: A case study of East African Tanners (K) Ltd in Njiru, Nairobi |
| 124. | Ngumbi Emmanuel Ivalya | MA Environmental Planning and Management | Local communities and wildlife interactions: The case study of Kitengela wildlife dispersal area of Nairobi National Park |
| 125. | Ogega-Siamento Esther | MA Environmental Planning and Management | An evaluation of land tenure and registration process in Maua Location, Meru North District of Kenya |
| 126. | Ojwang Orwa Isaac | MA Environmental Planning and Management | Spatial analysis of informal settlement sprawl and its environmental impact: A case study of Kibera |
| 127. | Otieno Eric Ogara | MA Environmental Planning and | The essentials of a sustainable participatory forest management regime: A case of Ntorosi community |

| | | | |
|-------------|-----------------------------------|--|---|
| | | Management | environmental group, Namanga hills forest, Kajiado District |
| 2010 | | | |
| 128. | Achoki Charles Ombati | MA Urban Geography | Some aspects of the urban informal sector activities: A case study of Nyamira Town, Kenya |
| 129. | Abass Abdirahman M. | MA Environmental Planning and Management | The effects of the development of boreholes on the production of vegetation in Wajir District |
| 130. | Abebe Tufa | MA Environmental Planning and Management | The effect of demographic pressure and land ownership right on soil erosion in Kiambu District |
| 131. | Karanja Mary Nyachihi | MA Environmental Planning and Management | Evaluation of the achievement of environmental education objectives in Kenya: A case study of secondary schools in Nairobi |
| 132. | Kipkemoi Shadrack | MA Environmental Planning and Management | An assessment of pesticide use in Mutarakwa Division of Sotik District, Kenya |
| 133. | Kuria-Kinyoda Jane Wanjiru | MA Environmental Planning and Management | Solid waste management practices and impacts on child health: A case of the Nairobi city |
| 134. | Lembara Saiyana Lucas | MA Environmental Planning and Management | The impacts of human settlements on dry lands environment: A case study of Lorroki plateau in Samburu District |
| 135. | Mule John | MA Environmental Planning and Management | Socio-economic impacts of land subdivision in Kenya's drylands: A case study of Kimana/Tikodo group ranch in Loitoktok District |
| 136. | Munyao Martha Nzisa | MA Environmental Planning and Management | A comparative environmental risk assessment for Lake Nakuru National Park and Nairobi National Park |
| 137. | Murerwa Leah Rehema | MA Environmental Planning and Management | Private and public sectors' involvement in urban environmental management: The case of solid waste management in Meru municipality |
| 138. | Ngugi Joyce Wanjiku | MA Environmental Planning and Management | Potential impact of urban agriculture on the environment: A case study of Kasarani Division, Nairobi |
| 139. | Njeru Moses Kathuri | MA Environmental Planning and Management | An evaluation of the practice, challenges and benefits of organic farming in rural Kenya: A case study of Nembure Division, Embu West District |
| 140. | Omedo Geoffrey | MA Environmental Planning and Management | Vulnerability of urban informal settlements to environmental hazards: A case study of Korogocho in Nairobi |
| 141. | Sindani Billy Wellington | MA Environmental Planning and Management | Contribution of urban farming to urban household livelihood and organic waste management: A case study of Bungoma town, Kenya |
| 142. | Thiongo Margaret K. | MA Environmental Planning and Management | Forests soil as sink or source of greenhouse gases: A case study of species effects on nitrous oxide and methane fluxes in Karura forest, Kenya |
| 143. | Walubwa Jacqueline A. | MA Environmental Planning and | "Kenya slum upgrading programme": An analysis of Kibera Integrated Water, Sanitation and Waste |

| | | | |
|-------------|---------------------------------|--|--|
| | | Management | Management Project |
| 144. | Wamalwa Joel Makokha | MA Environmental Planning and Management | A sectoral environmental audit of livestock production systems in Migori District, Nyanza province |
| 145. | Wanyonyi Geoffrey Ingubo | MA Environmental Planning and Management | The role of household point-of-use systems in urban water supply: The case of selected residential areas of Nairobi |
| 2011 | | | |
| 146. | Okoth Kabaka George | MA Climatology | Potential response of tea production to climate change in Kericho County |
| 147. | Wabwire Evans Odhiambo | MA Climatology | Rainfall variability and its impact on tea production in Nandi and Vihiga counties of Kenya |
| 148. | Abdullahi Mohamed Yassin | MA Environmental Planning and Management | Effects of refugees on the natural environment: A case study of Daadab refugees camp, Garissa District |
| 149. | Ambuchi Justo John | MA Environmental Planning and Management | Flood disaster preparedness and management in schools: A case study of Budalangi area in Busia County |
| 150. | Kabogo Susan | MA Environmental Planning and Management | Environmental effects of open air markets: A case study of Ngara market, Nairobi |
| 151. | Kamau Julius Wambugu | MA Environmental Planning and Management | An evaluation of the integration status for climate change adaptation within the Environmental Impact Assessment (EIA) studies in Kenya |
| 152. | Kanyiri Bernard Kimani | MA Environmental Planning and Management | Impacts of market forces on land use changes and its implications on the common property resources in Ngong Division |
| 153. | Makuyu Godfrey Otenyo | MA Environmental Planning and Management | Institutional factors affecting municipal solid waste management compliance: A case study of waste transporters in Nairobi city |
| 154. | Mugi Nicholas Nderitu | MA Environmental Planning and Management | Influence of corporate environmental management on business competitiveness: A case of East African Portland Cement Company |
| 155. | Muia George | MA Environmental Planning and Management | Analysis of the quality of effluent discharged from petrol stations: The case of national oil service stations, Kenya |
| 156. | Muiruri Joseph Kinyanjui | MA Environmental Planning and Management | A study of the build-up of waste by unclaimed vehicles in police stations' yards in Kenya: A case study of Nairobi area, Kenya |
| 157. | Mutua Telesia Mithakye | MA Environmental Planning and Management | The effects of socio-economic and institutional practices on food security situation in Kenyan dry lands: A case study of Tseikuru Division of Mwingi District |
| 158. | Mwangi James Paul Irungu | MA Environmental Planning and Management | Climate change adaptation strategy in Kenya: Case study of Photovoltaic technology in Lake Baringo Catchment |
| 2012 | | | |
| 159. | Chepkania Levi Situma | MA Geomorphology | Assessment of soil erosion factors in parts of Bungoma and Mt. Elgon Districts drained by River |

| | | | |
|------|------------------------------------|--|--|
| | | | Kibisi in Kenya |
| 160. | Uduogu Austin Okenzie Denis | MA Biodiversity and Natural Resources Management | Impact of crop irrigation on rangeland soil biodiversity and insect pollinators at Isinya, Kenya |
| 161. | Ayuyo Isaac Ongonga | MA Environmental Planning and Management | Geospatial analysis of land cover and land use change in the Mau forest complex of Kenya |
| 162. | Igunza Alex Adagala | MA Environmental Planning and Management | The impact of green buildings in climate change mitigation: An investigative study on selected office buildings in Westlands, Nairobi County |
| 163. | Kamochu Winifred W. | MA Environmental Planning and Management | Integrating community participation in natural resource management: A case study of Ndigia self-help group |
| 164. | Kaua Caxton Gitonga | MA Environmental Planning and Management | Socio-economic factors affecting agro-forestry adoption in Ndabibi location, Naivasha, Kenya |
| 165. | Muchiri Nancy Wawira | MA Environmental Planning and Management | The impact of human activities on wetlands: A case study of Ondiri Wetland in Kiambu County, Kenya |
| 166. | Mugo Beatrice Jepkorir | MA Environmental Planning and Management | Factors affecting adoption of conservation agriculture among smallholder farmers in Ngata Division, Nakuru County |
| 167. | Mulatya Nzomo | MA Environmental Planning and Management | Factors influencing household use of improved sources of drinking water in Kenya |
| 168. | Muthui Thomas Wambugu | MA Environmental Planning and Management | An assessment of the level of awareness/knowledge and practice of environmental management in schools in Kenya: A case study of public secondary schools in Nairobi County |
| 169. | Mutune Terry Ndinda | MA Environmental Planning and Management | The effect of water interventions on the urban poor: An analysis of the Wandiege Community Water Supply Project in Kisumu |
| 170. | Mwangi Paul Kiiru | MA Environmental Planning and Management | Environmental impacts of government land settlement schemes in dry lands: The case of Lake Kenyatta Settlement Scheme, Lamu County, Kenya |
| 171. | Mwaniki Dennis Mwendwa | MA Environmental Planning and Management | Mapping pollution in the Mathare River: An analysis of waste disposal patterns and river pollution in an informal settlement |
| 172. | Ndungu Mary Wanjiku | MA Environmental Planning and Management | An evaluation of Kenya Slum Upgrading Programme (KENSUP): A case study of Mavoko Sustainable Neighbourhood Programme in Machakos County, Kenya |
| 173. | Oben Theodore Epey Ayuk | MA Environmental Planning and Management | Greening construction of mega sports venues and facilities: The case of the London 2012 Olympic games |
| 174. | Ongoro Elizabeth | MA Environmental Planning and Management | Solid waste management challenges in developing countries: A case study of Nairobi city, Kenya, Eastern Africa |

| | | | |
|-------------|------------------------------------|--|---|
| 175. | Sangori Robert Ogara Abbott | MA Environmental Planning and Management | Adoption of Hydraform Interlocking Stabilized Soil Blocks (ISSBs) building technology and its impacts on environment in Nakuru County |
| 176. | Tirop Stephen Kipchirchir | MA Environmental Planning and Management | Evaluation of the suitability of soils for irrigation in lower Kuja, Nyatike District, Kenya |
| 2013 | | | |
| 177. | Ombogo Meshack Opole | MA Climatology | The impact of climate variability on pastoralism: Forage dynamics and trends in cattle population in Kajiado County, Kenya |
| 178. | Maina Margaret Wagikondi | MA Transport Geography | An investigation of commuter satisfaction in the use of Muthurwa terminus, Nairobi, Kenya |
| 179. | Amboga Reginald M. | MA Environmental Planning and Management | An investigation of urban heat island phenomenon in Nairobi |
| 180. | Arwa George Augustine | MA Environmental Planning and Management | Sustainable governance for artisanal sand mining: Case of Kangonde Location, Masinga District |
| 181. | Cherutich Eunice Jemutai | MA Environmental Planning and Management | E-waste management in Kenya: A case study of mobile phone waste in Nairobi |
| 182. | Kariuki David Mugendi | MA Environmental Planning and Management | Adoption of bee farming as an adaptation strategy for rainfall variability effects on food security among the vulnerable communities in Kenya: Case of Kitui, Kenya |
